Stephanie/Suddha -

Please note that this list is a WORK IN PROGRESS.....the home well numbers for the residents, however, are set in stone as of this time.

Ann

Can we provide them this list?

Thanks
Stephanie

Good Morning Stephanie,

We are quickly closing in on the 17 Homes phase of data entry and I can start putting some of our people on the 30 Homes phase when it’s convenient for you to have provide those names.

Thanks so much!
